

Hans Zeiger

Washington State Representative
25th Legislative District
PUYALLUP, WA

August 2012

To whom it may concern:

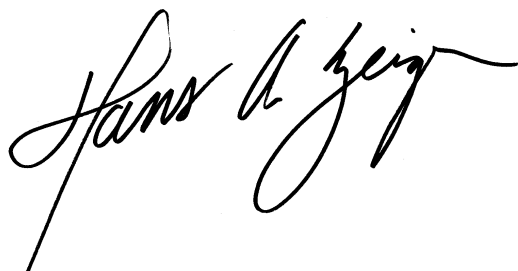

I am pleased to offer my recommendation for Eric Lagergren for employment.

I have known Eric through his involvement in my reelection campaign. He has been an important part of our campaign team as a volunteer, knocking on doors, handwriting postcards, and participating in campaign events. I have been impressed with several of Eric's qualities: his level-headedness, his passion for making a difference, and his interest in doing what is right.

Eric is a connector. He has the ability to make introductions and bring people together. For example, Eric connected me with his Advanced Placement Government teacher so that I could be a guest speaker in his class. After I asked Eric to volunteer at a booth at a community event, Eric not only took part but also worked to recruit others. He understands and embraces the power of relationships. He has an unusual sense of how organizations operate and who the key players are in their operation. I believe that he is one of the rare few who can be a great leader.

Thank you for your consideration, and please feel free to contact me if you have questions.

Sincerely,
